

TAXI MECHANICAL WARRANTY SALES GUIDE

WHAT IS TAXI MECHANICAL WARRANTY?

TAXI MECHANICAL WARRANTY is a mechanical breakdown insurance policy.

WHY TAXI MECHANICAL WARRANTY?

TAXI MECHANICAL WARRANTY offers financial assistance in the event of any unexpected mechanical breakdown or electrical failure.

PRODUCT SPECIFICATIONS

- **Eligibility:** Taxis having a maximum GVM (gross vehicle mass) of 4 999kg,
- **Period of cover:** 2 years and/or up to a maximum of 250 000km,
- **Effective date:**
 - New taxis: Immediately after the manufacturer's warranty expires,
 - Used taxis: 30 days from date of purchase,
- Servicing at either a factory appointed dealer or RMI registered facility.

TAXI CATEGORIES

- **New Taxis:** Taxis that are less than 1 year old (12 months from the first date of registration) and have covered less than 40 000km from date of first registration.
- **Used Taxis:** Taxis that are less than 5 years old (60 months from the first date of registration) and have covered less than 200 000km from date of first registration.

EXCLUSIONS

You are not covered for the following:

- components that were broken or had failed before the policy started,
- repairs that have not been authorised by us,
- any repairs if the odometer is not working or has been changed in any way or has been disconnected or replaced without our written approval,
- damage resulting from oil leaks or for oil leaks themselves,
- damage to drive shafts or steering racks as a result of damaged rubber boots,
- damage caused by incorrect fuels or lubricants, unreasonable use, improper servicing or malicious damage,
- damage caused by a road accident or any accidental damage,
- damage to taxis that have been altered in any way from the manufacturer's specifications,
- any components that are not listed under **Components Covered** in your policy booklet,
- any components that are still covered by the manufacturer's or supplier's warranty at the time of the mechanical breakdown or electrical failure,
- damage to all electrical wiring, or damage as a result thereof,
- service items or items that need to be changed at specific or regular intervals such as oil, grease, filters, hydraulic fluid, additives and anti-freeze, spark plugs, "v" and cambelts, consumables and the like,
- costs or expenses that you can recover from your motor insurance policy,
- resultant damage (where a covered component is damaged by the Mechanical Breakdown or Electrical Failure of a non-covered component).

HOW TO CLAIM?

When you become aware of a mechanical breakdown or electrical failure.

- Take the covered taxi to an SA Warranties approved repairing dealer, **Claims Office 0860 WARRANTY (927 726)**
- Please have the following information available when calling:
 - your name and contact details,
 - your policy number,
 - the covered taxi's current kilometre reading,
 - the nature of the mechanical breakdown or electrical failure,
 - the name and address of the repairer.
